

## D1 - Working Agreement: Group Assessment

Group Number: \_\_\_\_\_ Group Year & Class: Software Engineering-Year 4 2019

Criteria	Well Achieved /Achieved / Not Achieved	Justification
Working Agreement Agreed and Signed by all Group Members (G).	Well Achieved	<ul style="list-style-type: none"><li>• An idea board was put up where every team member suggested some working agreement points they thought were productive and after various suggestions and feedbacks on those points we decided the main points.</li><li>• We believe we covered every aspect required for our working agreement such as time and location of scrum meeting, development strategy, questions to be prepared for in scrum meetings, responsibilities for backlogs, estimation, time to meet PO etc</li></ul>
Group planned and completed this deliverable within the estimated time and/or amended the planned task list required (G).	Well Achieved	<ul style="list-style-type: none"><li>• We divided our agreement points into three sections<ul style="list-style-type: none"><li>○ Always Followed</li><li>○ Followed only during planning (sprint 0)</li><li>○ Followed during sprints &gt; 0</li></ul></li><li>• Dividing our ideas made it a little less complex to remember.</li><li>• Every team member had equal contribution in the retrospective sheet created for ideas and scrum master was responsible for choosing the most relevant points.</li><li>• As scrum master had the last say, there were no conflicts among team members for this deliverable.</li></ul> <p>Thus we can say that our group planned and completed this deliverable before the estimated time.</p>
